

Pine Mountain Lake Men's Golf Club

January 2009

Dear Golf Club Members,

The Board of Directors and I welcome you to a new year of rewarding and exciting golf experiences. We have a few changes planned with a slight change of focus and hope you take part and enjoy the year.

Check out our web site <http://www.pmlmgc.com> and add it to your favorites. It's becoming more interactive as you can now add or change your e-mail address on the site and receive what we hope are periodic communications from the board about current events. You will also find the same tournament schedule that accompanying this letter and entry forms for each tournament. The results of each tournament are posted on the site as soon as we can get them there after the event.

Another new thing which we are part of is what we're calling the 'universal shirt'. This is a normal golf shirt that the Pro Shop will stock and you can buy with real or "funny" money. We are encouraging anyone who goes off the hill to play representing the club wear these shirts. This applies to Super Seniors, Southern Valley Seniors, 12 Man Team, NCGA Events or anytime you wish to show your club pride.

The changes that I hope will be apparent in the tournament slate this year will be more participation, more flights, and deeper payouts. I'd like more of our very low and high handicap member to enter and compete against players of similar skill and make nearly half of the participants 'winners' at the end of the day.

This should be a very interesting year as the new cart barn/snack shop construction gets underway and Tony's forest starts to mature around the course. We can expect that many of the holes will punish many of yours and my errant shots.

As always, the tournament applications will be available in the Pro Shop. Drop your completed application with check in the Men's club Box in the hallway outside the locker room.

Also, we are interested in increasing our membership because larger membership allows us to do more for you. Please encourage your PML neighbors to join the men's golf club and play in our tournaments. If they belong to a men's club elsewhere, they can join here also. Thanks for your help.

We thank you for your participation and support of PMLMGC and hope you enjoy the schedule we have planned for 2009.

Best Regards

Jerry Dickson, President
